Welcome to the 26th Annual **WesterFlora** Garden Tour. Our theme this year is:
"A City in Bloom"
You shall see, as you tour the 12 wonderful and diverse gardens in our beautiful city.

The **WesterFlora** garden tour has received several First Place Awards from Garden Club of Ohio, Inc. for our Landscape Design Event. Members of the **WesterFlora** Committee select gardens for the tour from the entries received that best represent landscape uniqueness, healthy and diverse horticulture and artistic expression. The gardens our residents create never fail to impress.

Our tours began in 1992, the year the **AmeriFlora International Flower Show** was held in Columbus. Westerville and other communities throughout Central Ohio spruced up their landscapes and conducted local gardening contests and tours in conjunction with **AmeriFlora**. Some lasted for a few years, but only Westerville's **WesterFlora** continues to this day.

We thank and appreciate the hard work and the generosity of these property owners for opening their gardens, so that others in our community may enjoy and learn from their talented and creative endeavors. Enjoy!!

2017 is the 70th anniversary of the Westerville Garden Club!
To honor this milestone, we have included the garden club's own **Hanby House Kitchen Garden** on the tour. It is lovingly tended by members of our club and the plantings represent a typical home garden of the 1890's. The historic **Hanby House** will be open for free tours and there are air conditioned restrooms available. Don't miss this historic, educational and informative stop on the tour!

Look for the SILVER ballot boxes placed in each garden and cast your vote for your favorite garden on this year's tour. The winning garden will receive the "People's Choice" award.

We would like to thank all the participating artists and entertainers for the donation of their time, talents and beautiful work. We believe they enhance the garden tour experience.
